

In this powerful book, Joe Oakley shows you how Gods principles of promotion will help you move forward in life so that you actually end up somewhere far better than where you are now. This book gives biblical help in advancing in every area of life, from the spiritual to the physical to the relational - but the main emphasis is how to advance in your career, or life calling. This book will not only teach you, but it will motivate you to advance with courage and authority. Some of the important truths you will learn include: How to discover your calling in life How to develop a personal vision statement How to be an indispensable employee How to develop people skills How to get noticed so you get promoted How to keep your life in balance This book includes worksheets at the end of each chapter to help you take immediate action to advance in life.
