

With their first photo collection Business Affairs the men of MenAtPlay apparently struck a nerve! Now with their newest volume Executive Pleasures the British erotic website is really turning up the heat. This never-ending stream of machos is artfully splashed across 144 imposing pages, taking the viewer on a journey through a fascinating cosmos of masculinity. At the same time this collection is much more playful and they haven't forgotten to include a healthy dose of irony. High-class photography and striking, well-hung men make this large-format volume of photography an absolute pleasure!
